

CIRM

CONSORZIO ITALIANO PER LA RICERCA IN MEDICINA

Profile of the Consortium

CIRM profile

- CIRM (Consorzio Italiano per la Ricerca in Medicina, www.cirm.net) is an Italian **non-profit consortium** of public and private partners, active in the “life sciences” segment.
- Its members are leading **research hospitals** (a total of about 12.000 hospital beds of all medical disciplines), and **industry**.
- CIRM cooperates with similar research organisations in Italy and EU.

CIRM partners

Hospitals and Research Centers

- Ospedale Niguarda Cà Granda – Milano
- Fondazione Ettore Sansavini per la Ricerca Scientifica ONLUS – Lugo (Ravenna)
- Fondazione IRCCS Don Gnocchi Onlus – Milano
- Fondazione IRCCS Policlinico San Matteo – Pavia
- IRCCS Istituto Ortopedico Rizzoli – Bologna
- IRCCS San Raffaele Pisana – Roma

Universities

- Interregional Research Center for Food Safety & Health (IRC-FSH) Università Magna Græcia - Catanzaro
- UNINT – Università degli Studi Internazionali di Roma

Medical Societies and Associations

- FISM – Federazione Italiana delle Società Medico-Scientifiche – Milano
- IPASVI Milano Lodi, Monza e Brianza – Milano

CIRM Associate Partners

Hospitals and Foundations

- ASST di Crema
- ASST di Lecco
- ASST di Lodi
- ASST Sette Laghi
- ASST Valle Olona
- ASST della Valtellina e Alto Lario
- Fondazione I.R.C.C.S. Istituto Neurologico Carlo Besta – Milano
- ISBEM Ist. Scientifico Biomedico Euro Mediterraneo – Mesagne (BR)
- Ospedale San Raffaele, Gruppo S. Donato – Milano
- Provincia Lombardo-Veneta Fatebenefratelli, Centro Studi – Milano

Universities

- INBB – Istituto Nazionale di Biostrutture e Biosistemi – Roma
- UNISS – Università degli Studi di Sassari – Sassari

Associations

- AIP – Associazione Italiana Podologi – Roma
- ARIS Lombardia – Associazione Religiosa Istituti Socio-Sanitari – Milano
- ASIT Associazione Sud Italia Trapiantati - Cosenza

Industry

- Bureau Veritas Italia Spa – Milano
- Fismeco – Fisica in Medicina ed Ecologia – Roma
- Giunti O.S. Srl – Firenze
- NoemaLife Spa – Bologna, Milano
- Sielte SpA – Catania, Roma
- Techmobile Srl - Milano
- UP Service Promotion Mktg & Communication – Milano

Areas of interest

Support to clinical trials
SMO, CRO, EU networks

Research projects and
international cooperation

Education and Training
Continuing medical education, e-training

CIRM – Clinical trials

- CIRM is a founding member of the European network ECRIN (European Clinical Research Infrastructures).
- CIRM is an SMO (Site Management Organisation) of ECRIN in Italy.
- As a **registered CRO** (Contract Research Organisation), CIRM offers a range of services related to clinical trials and market access, working with the Italian and EU regulatory authorities (AIFA/EMA).

Agenzia Italiana del Farmaco

AIFA

CIRM – Research projects

- CIRM participates with its partners in **research and innovation projects** funded by EU and Italian administrations. Areas of interest are medicine, biotechnology and biobanks, e-health, cybersecurity and health economy.
- CIRM offers **technical assistance** to international organisations for special projects regarding health systems, public health, nutrition and regulatory issues.
- Amongst its associates, FISM (the Federation of Italian Medical-scientific Societies) and IPASVI (the Regional Organisation of Registered Nurses) disseminate updated recommendations, guidelines, and consensus documents for all medical disciplines and segments of care.

CIRM - Education

- CIRM is a provider of CME (Continuing Medical Education), certified by the Italian Ministry of Health and with ISO 9001:2008 quality certification.
- CIRM is a partner of Universities and Professional Funds in **post-doc education and professional training**: the e-learning portfolio covers medical and non-medical disciplines.
- The consortium also coordinates international training projects between its members and other EU hospitals.

Current research projects and partnerships

- **BIOSPEC-X** - CIRM is leading a stream of coordinated projects aiming at the development of a cloud-based ICT platform for regional **biobanks and personalised medicine**
 - SOPs, QA, management and sustainability of bio-banks
 - Supports the EU network BBMRI

- **NUTRAMED** – CIRM is partner of the technology district "NutraMed" for the development of **natural products** in Calabria (derivates of Bergamot and Olea europea)
 - Formulation, evaluation and submission for approval of nutraceutical products
